“We honor Purusha as the highest profession that life can offer, the highest contribution that can be made to peace on earth. We have no doubt about it.”

—Maharaja Adhiraj Rajaram, September 2009

Dear Friends of Purusha,

It is our joy to send you our calendar for 2010, Maharishi’s Third Year of Invincibility—Global Raam RajSM.

This has been a year of progress and happy anticipation as our new home in West Virginia, the Maharishi Purusha Capital for the Western WorldSM, moves from conception to implementation. The roads have been completed and the first buildings have been designed and will soon be under construction.

In 2007 Maharishi designed this ideal facility for Purusha to promote the rich daily routine of practice and knowledge that constitutes PurushaSM life, generation after generation, and to bring fulfillment to his final charge to us, that of silently nourishing the 192 countries of the world through our daily quiet attention. The Maharishi Purusha CapitalSM is also ideally located to generate waves of coherence for Washington, DC, where decisions that affect the whole world are made.

We deeply appreciate your generous support in maintaining the Maharishi Purusha ProgramSM as a stable pillar of coherence, especially during this challenging financial period. Your continuing commitment is an essential ingredient in enabling Purusha to play its designated role in the transition to Sat Yuga, the full sunshine of the Age of Enlightenment.

We wish that this holiday season and the coming year bring you and your family peace, bliss, perfect health, and prosperity, and that our shared growth to Enlightenment will bring lasting peace and Invincibility to our entire world family.

Jai Guru Dev
